

## I can help.

My goal is to find you a health plan which will maximize your benefits but minimize your costs. Let me compare the plans for you and help you make an educated decision about your healthcare.

By calling the number above you will be directed to a licensed insurance agent. Medicare has neither reviewed nor endorsed this information.

Did you know—  
**Medicare  
Plan Benefits  
change YEARLY?**

# The benefits you had last year **may be different** this year.

To make sure you're receiving the benefits you need, it is vital that you review your plan **EACH YEAR.**

As a licensed Independent Healthcare Specialist, I spend countless hours every year certifying and training with top Medicare plans. By representing most major carriers with a Medicare contract, I can provide you unbiased information on all the plans available in your area.

## One plan does not fit all.

I understand that everyone has a different budget, different needs for medications, hospitals, doctors and you deserve a plan with benefits that are suited to **YOUR NEEDS.**

An annual benefit review to ensure your plan always fits your needs

Education on all of your available Medicare plan options

A review of your medications to see which plans will cover your drugs at the lowest cost

Help in selecting a plan that your doctors accept

Making sure you are placed within a network that will allow you to use the hospital of your choice

Teaching you how Medicare and each plan benefit works
